Dir: An excellent paper showing 150
both insight & knowledge

Phys: A fairly good paper, right 70
principles but hardly
enough knowledge.

Psych: A very good paper, showing 120
insight into the principles of
education, but not sufficient
study of appointed work

N. Don: A fair, good paper - interesting 80
but the subject demands more
thorough study

It is pleasant to know that work so
good as this is on the whole can be
done under circumstances of
so much difficulty

Review.
